Christians Globally Effecting
Missions Strategy is a non-profit
organization dedicated to helping
churches become more involved
in obeying the Great Commission.

Statistics tell us that over 2 billion people in the world have not yet heard the gospel. Some may be in our own community, but most are in far-off lands with cultures & religions very different from our own. They are housed in the 10/40 Window and lack a strong indigenous church to evangelize their own. Jesus challenged us to pray that God will send out workers into His harvest field (Matt. 9:37-38; Luke 10:2; John 4:34-36). Please join us for this exciting time of Prayer, Worship and More. Islam is still the fastest growing religion in the world, yet the greatest turning of Muslims to Christ in history is happening today. For this reason, we continue to seek God's Wisdom to continue Harvesting Muslims. The Lord may use you to answer your own prayer for workers! Christians have responded to Muslims in many ways, but all too often, without the compassion that characterized Jesus. This study, "Bridge - Christians Connecting With Muslims" seeks to replace fear and intimidation with love and gentle boldness, reshaping the way Christians view and respond to their Muslim neighbors through Breakout Sessions. The uniqueness of this study offers resources beyond the sessions to enforce and implement what you absorb. Jesus is strategically moving to reach the LAST FRONTIER! Muslims are housed there and, in our cities, and we have opportunity to reach them. This study will teach lessons on Islam and how to reach Muslims for Jesus with faith, love, and compassion!
