*Christians Globally Effecting
Missions Strategy is a non-profit
organization dedicated to helping
churches become more involved in
obeying the Great Commission.*

Christians Globally Effecting Missions Strategy invites you to our 23rd Annual Fall Harvest Missions Retreat (FHMR)! Its purpose is to devote consecrated, concentrated, and intense time to Missions Education concerning God's Heart for the World. This time begins with Fasting and Prayer. Fasting and prayer begins a week before the retreat and ends the first day of retreat if you are so led. The Missions education will prepare us to finish the task of reaching the world with the Gospel of the Kingdom and the prayer focus will be for the unreached people groups of the world, the unreached people groups in the 10/40 Window, Persecuted Church, local churches, the Universal church and much more! Again, the Lord has called us to **GO VIRTUAL**

As we sought the Lord for the study that He wants for His FHMR this year through prayer and prayerful discussion, we ultimately became aware that the Body of Christ as a whole is busy, doing a lot of things but not missions, World Evangelization is at the bottom - if active at all. The Lord let us know that He wants us to be Serious about witnessing everywhere. Thus, He gave us a theme **"Obedience To God's Great Commission Is Being On Point"** - **Matthew 28:18-20**. To further explore the theme I, Sis Billie was reminded of Dr. Winston Sutherland's latest book, **"Biblical Discipleship The Way of The Lord"**. I realized one reason the Body of Christ is busy with many activities and not missions and why world evangelization is often neglected, is the deficit of making disciples. The referenced book addresses this issue by highlighting God's plan for reaching the world: every disciple should be dedicated to making another disciple, creating a pattern of multiplication. Whether you are a seasoned believer or new to the faith, "Biblical Discipleship The Way of the Lord" is an invaluable resource that deepens our understanding of what it means to truly follow Jesus and become His disciple and to disciple another person, teaching them to do the same.

Thus, we have asked Dr. Winston to lead us in an inductive study on discipleship!
It will be advantageous if you purchase the book available on Amazon here.
